

Frisby Friday Flyer

Friday 7th February 2025

Dear parents/carers,

Presentation Champions

I am pleased to be able to share with you that, after February half term, we will be introducing Presentation Champion certificates, a new initiative designed to celebrate and encourage excellence in the presentation of learning across our curriculum.

Taking pride in the presentation of their work helps children develop a sense of ownership and responsibility for their learning. When students put effort into how their work looks, it reflects their dedication and attention to detail. This not only enhances their academic skills but also boosts their confidence and self-esteem.

At Frisby, we hold high expectations for all our pupils. We believe that excellence in presentation is a key component of academic success. By recognising and rewarding students who demonstrate outstanding presentation skills, we are reinforcing the importance of striving for excellence in all aspects of their education.

Furthermore, by emphasising the importance of presentation, we are helping our students develop lifelong skills that will serve them well in their future endeavours. Neatness, organisation, and attention to detail are qualities that are highly valued in both academic and professional settings.

We look forward to seeing our students rise to the challenge and take pride in their work as they strive to become Presentation Champions! We look forward to celebrating their efforts and achievements with you.

Dogs Near the School Gates

I have been asked by a concerned parent to reiterate our request for dogs not to be brought up to the school gates during drop-off and pick-up times.

While we fully appreciate that many families have cherished pets, it is also essential to recognise that not all members of our school community are comfortable around dogs. Some individuals, including children and adults, may have allergies, phobias, or other concerns that make the presence of dogs at the school gates problematic.

To ensure a safe and welcoming environment for everyone, we kindly ask that you refrain from bringing dogs up to the school premises during these times. Your cooperation and understanding in this matter are greatly

appreciated and we thank you for helping us maintain a safe and comfortable environment for all our students, staff, and families.

Frisby School Values Certificates

This half term's school value is 'Showing Compassion'. Well done to the following children who have been awarded a values certificate in today's Collective Worship:

Class 1 – This week Anna has been working really hard on her skill of showing compassion. She has been playing nicely with friends, remembering her kind words and has made lots of her friends smile. Well done Anna!

Class 2 – I was really impressed with Tigger this week and the compassion he has shown towards one of his classmates. He saw that his friend couldn't take their coat off and kindly helped them to do so. He then made sure that the coat was hung up on the peg, so it didn't get dirty. These are really lovely qualities to demonstrate Tigger, well done.

Class 3 – You are an extremely kind, caring and popular member of the class. You are always one of the first to bring a smile to your friends' faces with your sense of humour and compassion. You have brought a smile to my face this week whilst I have been a bit ill! I have also been very impressed with how much you've listened to help you grow in confidence with the bus stop division method. Very well done Edna, it's a pleasure to have you in the class.

Class 4 – Chloe is consistently kind and caring to everyone around her. She displays great respect and consideration for others. Chloe is such a valuable member of class 4 and her constant compassion does not go unnoticed. Keep being you, Chloe!
