

Friday 7th March 2025

Dear parents/carers,

Rock Steady Music School

On Tuesday, we had a visit from Tommy at Rocksteady Music School. He introduced our children to a range of musical instruments, including electric guitar, bass, drums, vocal and keyboards through performing a number of popular songs. The children had great fun (as did the adults who got to take part in their own band performance) and we are looking to arrange some additional workshops for the children to participate in over the coming months – watch this space!

World Book Day

On Thursday, we celebrated World Book Day with a range of book-themed activities, including creating wooden spoon book characters; taking part in a Great Big Footy and Booky Quiz; making recommendations bookmarks for our favourite reads; creating a whole-school reading river and of course, reading lots of lovely books!

World Book Day is a global celebration of the power of books and the joy of reading. At Frisby, we believe that it is vitally important that we participate in this event, and the benefits in doing so are:

- 1. Encouraging a Love for Reading:** By celebrating World Book Day, we inspire students to develop a lifelong love for reading. Books open up new worlds, spark imagination, and provide endless opportunities for learning and growth.
- 2. Promoting Literacy:** Reading is a fundamental skill that underpins all areas of education. World Book Day activities help to promote literacy by making reading enjoyable and accessible for all of our pupils.

3. Building Community: Events, like the ones mentioned above, bring our school community together. They create a shared experience that fosters a sense of belonging and encourages collaboration among children, teachers, and their families.

4. Celebrating Diversity: Books introduce us to different cultures, perspectives, and ideas. By celebrating World Book Day, we highlight the importance of diversity and inclusion, encouraging students to appreciate and respect differences.

5. Enhancing Creativity: Participating in creative activities stimulate pupil' imaginations. These experiences can inspire them to write their own stories and express themselves in new and exciting ways.

6. Supporting Mental Well-being: Reading can be a great way to relax and unwind. It provides an escape from the stresses of everyday life and can improve mental well-being. World Book Day reminds us of the therapeutic benefits of getting lost in a good book.

It has been wonderful to come together to celebrate World Book Day and recognise the incredible impact that books have on our lives. We would like to thank Mr Plumb for putting together such a lovely day and also, our PTA for arranging the Wonka Bars for the children – we hope that lots of our children were lucky and won themselves a golden ticket!

Presentation Champions

At Frisby, we hold high expectations for all our pupils. We believe that excellent presentation is crucial for academic success. By acknowledging and rewarding students who excel in presentation, we emphasize the importance of striving for excellence in every aspect of their education.

Children who have been recognised for demonstrating outstanding presentation of their learning this week are:

- Class 1 – Connie Waldron
- Class 2 – Archie Wilson
- Class 3 – Claudia Smith
- Class 4 – Chloe Woollin

Frisby School Values Certificates

This half term's school value is 'Being Respectful'. Well done to the following children who have been awarded a values certificate in today's Collective Worship:

Class 1 – Josiah is a role model to the class on the value of being respectful. He has wonderful manners, always kind to others and supportive of everyone. This week we had our class photos and the photographer commented on how respectful and kind he was. Very proud of you Josiah!

Class 2 – Chloe has a very caring attitude and can always be relied upon to help and support her classmates. However, this week, on top of being helpful to others, what has really impressed me is the manner in which she supports her friends. She shows respect in the words she uses when helping someone who is finding things tricky and always encourages them to continue trying. This is a super value to demonstrate Chloe, well done.

Class 3 – Lucy, it really stood out to me during World Book Day how hard you worked on your own activities, but also the way you supported your peers with ideas and lots of compliments. You were very polite and encouraging and I know that you are really trying to consider your words and choices. Well done Lucy, keep it up!

Class 4 – Charlie is always super respectful to everyone around him. He considers others thoughts and feelings and will always try to make others smile! Charlie consistently uses his manners with both peers and adults. Keep being you Charlie, you are a star!

Important Dates:

Monday 10th March – British Science Week

Wednesday 12th March – Sky Theatre Challenge

Tuesday 18th March – pm (times TBC) – Class 2 Art Exhibition

Wednesday 19th March – am - Y4/5 Futsal Competition
