

Friday 14<sup>th</sup> March 2025

Dear parents/carers,

### British Science Week

This week, we have been participating in British Science Week 2025, a celebration of science, technology, engineering, and maths (STEM). This year's theme, "Change and Adapt," offers a fantastic opportunity for our students to explore how science and technology have evolved and impacted our world.

Students have had the opportunity to engage in various activities, including hands-on experiments, which aim to ignite curiosity and foster a love for STEM subjects. Additionally, we are encouraging our children to take part in the British Science Week poster competition, where students can showcase their creativity and scientific knowledge.

We look forward to seeing our students embrace the spirit of discovery and innovation during this week.

### Sky Dance Competition

On Wednesday evening, we took a group of KS2 children to compete in the Sky Dance Challenge at Melton Theatre. The children performed their routine 'Seussical the Musical' brilliantly and were selected in the top three to progress to the finale on Thursday 27<sup>th</sup> March; this is a wonderful achievement, and we are so proud of everyone who took part.

Tickets for the finale go on sale at 10am on Friday 14<sup>th</sup> March from the Melton Theatre website; please be sure you book your tickets as soon as possible if you want to come along and support the children, as they are expected to sell out quickly!

### Class 2 Art Exhibition

On Tuesday 18<sup>th</sup> March, we will be hosting an art exhibition to showcase Class 2's self-portraits. The PTA will kindly be providing refreshments, and everyone is welcome to come along and share in the children's work – we hope you will be able to join us!

# Class 2's Self Portrait Exhibition 2025

Don't miss the chance to experience the vibrant world of Class 2's art and celebrate the children's creativity with us.

**DATE: TUESDAY 18TH MARCH**  
**TIME: 3.30PM - 4.15PM**  
**VENUE: SCHOOL HALL**

Everyone welcome

Refreshments being served by  
Friends of Frisby School PTA

## Presentation Champions

At Frisby, we hold high expectations for all our pupils. We believe that excellent presentation is crucial for academic success. By acknowledging and rewarding students who excel in presentation, we emphasize the importance of striving for excellence in every aspect of their education.

Children who have been recognised for demonstrating outstanding presentation of their learning this week are:

Class 1 – William Watson

Class 2 – Chloe Thomas

Class 3 – Arianna Fain

Class 4 – Florence Moore

## Frisby School Values Certificates

This half term's school value is 'Being Respectful'. Well done to the following children who have been awarded a values certificate in today's Collective Worship:

Class 1 – Sophia is a superstar at showing our value of being respectful. She always remembers her manners when speaking to adults and other children. Sophia is a wonderful friend who is always kind. Keep up the great work Sophia!

Class 2 – Riley has consistently demonstrated respect towards her peers, adults, and the school environment throughout this week. Not only that, her kindness, consideration, and positive attitude have made a significant impact on everyone around her. Keep up the great work, Riley!

Class 3 – I have noticed that you are trying extra hard with your choices and trying to follow the BE A STAR, STEP, SHAPE and FIRST TIME rules. You are producing more work with your attitude, which is also showing respect to your peers. You also were a great help in RE this week and I enjoyed you sharing about your faith with the class. Keep it up Rien, well done!

Class 4 – Sophie has had a brilliant this week overcoming some tricky moments! She did not let nerves get the best of her on Wednesday at Sky Theatre and showed a great amount of respect and loyalty to her dance team. Sophie stayed focused, worked hard and it paid off, helping her team to get through to the Sky Theatre final! Great work Sophie!
