

Friday 9th May 2025

Dear parents/carers,

Rise Voices

On Wednesday evening, Year 4 pupils from across our trust came together at the Mattioli Arena, Leicester to take part in the pupil charter choral event – Rise Voices Past and Present: A Musical Journey!

The pupil charter is one way in which we seek to provide our children with exciting and memorable experiences during their time with us at Frisby. Wednesday evening not only enabled our children to perform for their family and friends but also gave them the opportunity to celebrate being part of a wider family of schools – and what an evening it was!

Our children did a superb job and represented our school brilliantly. They really enjoyed the experience, and we have also had some lovely feedback from parents who went along to support them. We'd like to thank everyone who supported and/or attended the event and give a special mention to Mr Plumb and Mrs Irving for all of their hard work in teaching the children the songs and for giving up their evening to be a part of the event.

Celebrating VE80

On Thursday afternoon, our school community came together to commemorate the 80th anniversary of Victory in Europe Day (VE Day) with a special craft afternoon. Pupils enjoyed creating themed artwork, including bunting, artwork of the flypast and creating their own Home Front posters, all inspired by the spirit of peace and unity.

To show our respect and gratitude for those who served and sacrificed during World War II, we observed a two-minute silence. The entire school paused in quiet reflection, honouring the memory of those who made VE Day possible. It was a meaningful and creative way to mark this historic milestone.

Goodbye to Class 1's Feathered Friends

How time flies! The ducklings had their last day in Class 1 on Thursday and had a wonderful day with the children. The class have learnt a lot about the duck life cycle and the children understand that the ducklings are now ready to return to the farm, ready to grow more and have the joy of running around and swimming in the pond to look forward to. The class have been amazing with them and were sad to see them leave.

We would like to say a huge thank you to the PTA who raised the money for us to have this experience.

Presentation Champions

At Frisby, we hold high expectations for all our pupils. We believe that excellent presentation is crucial for academic success. By acknowledging and rewarding students who excel in presentation, we emphasize the importance of striving for excellence in every aspect of their education.

Children who have been recognised for demonstrating outstanding presentation of their learning this week are:

- Class 1 – Freddie Haslam-Bell
- Class 2 – Rylee Baer
- Class 3 – Caleb Waldron
- Class 4 – Olivia Thomas

Frisby School Values Certificates

This half term's school value is 'Taking Responsibility'. Well done to the following children who have been awarded a values certificate in today's Collective Worship:

Class 1 – Oscar has shown our value of taking responsibility this week. He is beginning to take responsibility for his own things in the classroom and has put his coat and hat on without any support. This week he also used his communication tools to ask children to play with him! Keep up the amazing work Oscar!

Class 2 - I can always rely on Eliza to help tidy away things in the class. She sees when a water bottle has been left and hands it out. She will pick up things on the floor which keeps everyone safe. Thank you, Eliza, for all your hard work.

Class 3 - You were fantastic at learning the lines for Rise Voices, always singing fluently in our practice sessions and knowing the words off-by-heart. You were a really confident performer during the evening performance too. You were also really responsible on the bus journey to the venue by immediately telling adults about the rubbish left near your seat on the bus. Very well done Cooper!

Class 4 – Over the last eight months, every one of you in Year 6 has really stepped up and taken charge of your learning. It's heartwarming to see how much care and effort you've put into your work, and how focused you've been on making progress. Watching you all grow up and thrive with your learning has been a joy. As you get ready for your SATs next week, remember that you are more than ready—you've got this, and I'm so excited to see you shine!

IMPORTANT DATES

Monday 12th May – Key Stage 2 SATs week

Tuesday 20th May – time TBC – Year 3 Pupil Charter sporting event at Belgrave St Peters

Friday 23rd May – Friends of Frisby PTA Break the Rules Day

Friday 23rd May – School closes for half term.

Monday 2nd June – School reopens
