

FRISBY C of E PRIMARY SCHOOL

Growing with hope; serving with compassion; transforming with humility.

5th January 2026

Dear Parents/Carers,

As we move into the heart of winter, we want to remind everyone of our procedures in the event of snow. Our aim is to keep the school open wherever possible, as we understand the importance of continuity for our pupils and families. However, we also recognise that some of our staff travel from outside Leicestershire, and severe weather conditions may make their journeys unsafe. The health and safety of our children and staff will always be our top priority, and any decisions will be made with this in mind.

Therefore, we have established the following guidelines to manage any disruptions caused by severe weather:

- 1. School Closures:** If the school needs to close due to snow, we will notify parents as early as possible. Notifications will be sent via Arbor email, Class Dojo, Facebook and posted on the school website. Please regularly check our methods of communication for closure.
- 2. Delayed Openings:** In some cases, we may delay the opening of the school to allow time for roads and pathways to be cleared. Information about delayed openings will be communicated in the same manner as school closures. In the event of a delayed opening children will be required to bring a packed lunch to school as the kitchen may not be operating fully.
- 3. Early Dismissals:** If weather conditions worsen during the school day, we may decide to dismiss children early. Parents will be notified through the same channels, and we ask that you collect your child promptly.
- 4. Children's Safety:** Please ensure that your child is dressed appropriately for the cold weather, including warm coats, hats, gloves, and boots. If your child walks/cycles to school, remind them to be cautious and watch for icy patches.
- 5. Remote Learning:** In the event of a closure, we will implement remote learning activities through Class Dojo by 10.00am to ensure that children continue their education. Teachers will provide instructions and activities through this platform.

We appreciate your cooperation and understanding as we navigate the winter weather. If you have any questions or concerns, please do not hesitate to contact the school office.

Thank you for your attention to this important matter.

Mrs Charmaine Ainge

Headteacher: Mrs Charmaine Ainge
Chair of Governors: Mr Simon Bailey
