Frisby Friday Flyer

Friday 22nd May 2026

Dear parents/carers,

Collective Worship Take Home

In Collective Worship this week, we have been thinking about how last weekend, football teams Manchester City and Chelsea competed in the Men's FA Cup Final at Wembley Stadium. The FA (Football Association) Cup is one of the oldest football competitions in the world, with teams from across England and Wales taking part each year. Millions of people watched the match, supporting their teams and hoping to see them win the famous trophy. For the players, reaching the final is a huge achievement after months of hard work.

Things you could talk about at home:

WONDER (Looking out at the world)

- Why do you think God allows us to experience both winning and losing in life?

REFLECT (Looking inwards at ourselves)

- Can you remember a time when you didn't win? What did that experience teach you about trusting God and growing in character?

DO (Responding through actions and choices)

- How can we practise being gracious in both success and failure in our daily lives?

End of Year Picnic

We would love to invite you to join us for a special end of year picnic on the last day of term, Thursday 9th July. Families are very welcome to come along and spend the afternoon with their children and staff. Please bring along a picnic, blankets, foldaway chairs, or anything else you might need to relax and enjoy the afternoon together as we celebrate the end of the summer term.

This will be a meaningful opportunity for our whole school community to come together to say a fond farewell to our Year 6 children and to Mrs Pearson, as they move on to their next chapters — something we know many of you will wish to be part of. We look forward to seeing you there for a joyful and memorable afternoon.

Presentation Champions

At Frisby, we hold high expectations for all our pupils. We believe that excellent presentation is crucial for academic success. By acknowledging and rewarding students who excel in presentation, we emphasize the importance of striving for excellence in every aspect of their education.

Class 1 – Ollie Roberts
Class 2 – Maia De Gaye
Class 3 – Edward Clayton
Class 4 – Robyn Doubleday

House Points Update

Our children have continued to work incredibly hard this term, earning house points for following our school expectations and for truly living our values. It has been wonderful to see so many pupils recognised for their kindness, determination, teamwork, and positive attitudes. Here are the current totals for the year so far:

- Ash: 1226
- Birch: 1274
- Elm: 1409
- Oak: 1370
- Willow: 1333

A huge well done to everyone for their efforts - every single point represents positive choices and fantastic learning behaviours. Although Elm is currently in the lead, there is still plenty of time for things to change before the end of the academic year. Remember, the winning house will earn the exciting opportunity to choose how they would like to celebrate with a special treat afternoon! Keep working hard, showing our values, and supporting your house. It could all change yet!

Frisby School Values Certificates

This half term's school value is 'Taking Responsibility'. Well done to the following children who have been awarded a values certificate in today's Collective Worship:

Class 1 - Giselle has had a great week in Class 1. She has shown our value of taking responsibility by working hard in phonics and writing more independently. Giselle is a kind friend, and it is wonderful to see her help her friends in the class. Well done, Giselle!

Class 2 – Sophia has worked extremely hard with her story about the cheetah and the snail this week. She has thought very carefully about which adjectives to use and her handwriting... beautiful! Keep up the good work Sophia! Well done!

Class 3 – Charlie has worked incredibly hard this week during our English lessons. He has created his own ideas using his fantastic imagination and researched facts about Alaska, ready for his independent write. Charlie has taken responsibility when writing his independent write this week and we are super proud. Well done, Charlie!!

Class 4 – In Year 6, we are starting with our own learning projects, to showcase our gained skills and enhance our learning and investigating skills. Toby, you took this to heart and get not only yourself organised, but you also mobilised several peers to join you in your project. You have taken on the responsibility to make your project shine.
