Frisby Friday Flyer

Friday 28th August 2026

Dear parents and carers,

A Message from Mrs Ainge

A very warm welcome back to all our children, families and staff as we begin another exciting year at Frisby. We hope that everyone enjoyed a happy, restful summer break and had the opportunity to spend quality time with family and friends. We would also like to extend a special welcome to all of the new children, families and staff who have joined our school community this year. We are delighted that you are now part of the Frisby family and look forward to getting to know you over the coming months.

It has been wonderful to see the school come back to life this week. Classrooms have been full of enthusiasm, smiles and a real eagerness to learn. From the moment the children returned, they have embraced the start of the new school year with positivity and determination. A particular focus this week has been our school value of 'Being Aspirational' in everything that we do. We have been talking with the children about what this means in practice: taking pride in our work ethic, presenting ourselves smartly, demonstrating exemplary behaviour and always striving to be the very best versions of ourselves. We have been incredibly impressed by how well the children have risen to this challenge. Their commitment, maturity and positive attitudes have been evident throughout the school.

There has been a wonderfully calm and purposeful atmosphere around the school this week, with children settling quickly into routines and approaching their learning with confidence and enthusiasm. It has been a pleasure to see such focus, respect and ambition across all year groups. This strong start has created a real sense of excitement for the year ahead. We have so many opportunities, experiences and achievements to look forward to, and we cannot wait to see what our children will accomplish as they continue to grow, learn and thrive.

Here's to a fantastic year together at Frisby!

Collective Worship Take Home

In Collective Worship this week, we have been thinking about aspiration, hope and perseverance. Through the stories of a high jumper learning to raise the bar, David being chosen despite being overlooked, and Sid from 'Some Dogs Do' finding the courage to keep believing, we reflected on how we can aim high, overcome challenges and take small steps towards our goals. We were reminded that God sees potential in each of us and that with hope, patience and determination, we can continue to grow and flourish.

Frisby School Values Certificates

Class 1 - Poppy has had a great start for her first week at school. She has tried super hard to challenge herself with activities and show confidence during our 'show and tell'. Well done, Poppy!

Class 2 – Penelope has had a great first week in Class 2! She has followed our classroom routines really well and has shown how aspirational she can be by

always trying her best. Penelope has also been a kind and helpful friend, supporting others on her table when they need it. Well done, Penelope!

Class 3 – Aria has shown fantastic aspiration through her commitment and enthusiasm for learning. She consistently strives to do her very best and approaches every challenge with great determination and takes great pride in her work.

Class 4 – Pearse has had a superb first week back at Frisby – his first in Class 4. He has consistently demonstrated all 6 of our school values but I have been particularly impressed with how aspirational he has been. He already shows such promising signs of demonstrating excellence this year.
